Description

How close can you get to another person? Into his head? Into his thoughts? Can you learn his emotions? Never. The body is just a detail; whether it's this or that one hardly makes a difference. But shame of one's body, the barrier of nakedness — whether physical or psychological, the barrier of embarrassment, the fear of revealing oneself, of letting down the mask — separates a conventional situation from an intimate one. The pain that we sometimes call shame, sometimes betrayal, sometimes humiliation, this pain is not a prison to be broken out of at all costs — it is the first condition of intimacy.

Jacek Dukaj's new volume of short stories is very diverse, and one that shows the finest qualities of the author's work — a wealth of fictional inventiveness, creative flair, and astonishingly innovative form. This is a real occasion for lovers of his work, as well as for those who are only setting off on their adventure with his books. *King of Pain* is sure to be a compelling read.
